PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA COMMISSION DIRECTIVE

ADMINISTRATIVE MATTER		DATE	November 18, 2020
MOTOR CARRIER MATTER		DOCKET NO.	2020-259-C
UTILITIES MATTER	✓	ORDER NO.	

SUBJECT:

<u>DOCKET NO. 2020-259-C</u> - <u>Petition of AT&T South Carolina Requesting the Commission's Intervention in Numbering Resources Determinations in the Columbia Rate Center - Midlands Technical College</u> - Staff Presents for Commission Consideration AT&T South Carolina's Petition Requesting the Commission's Intervention in Numbering Resources Determinations in the Columbia Rate Center, Midlands Technical College.

COMMISSION ACTION:

I move that we grant the request of AT&T for the Commission to review the decision by the North American Numbering Plan Administrator ("NANPA") and/or the Pooling Administrator denying AT&T's request for additional numbering resources in its Columbia rate center. As regulator of the rates and services of telecommunications companies under the authority of South Carolina Code Annotated Section 58-9-210, et. seq., the Commission has authority under both the FCC's rules and the Central Office Code (NXX) Assignment Guidelines to review a decision by the North American Numbering Plan Administrator or Pooling Administrator. AT&T states it does not have the existing numbers to meet the request of its customer Midlands Technical College and will be unable to provide the telecommunications services requested with its current inventory. Further, AT&T has demonstrated a verifiable need for these additional numbering resources based upon receipt of a customer request for numbering services. An appeal to the Commission by AT&T is the only means to affect its request, I conclude that AT&T has exhausted all available remedies. I further move that the Commission direct the North American Numbering Plan Administrator or Pooling Administrator to approve AT&T's request.

Further, I move that we direct staff to prepare an Order consistent with our motion.
